

Your Voice Lives On – Legacy Message Recording Guide

Use this guide to reflect on and record a personal message for loved ones.

Why you might record a message:

To share love, memories, advice, or your story in your own voice — forever.

Legacy Message – Things You Might Want to Say

I want you to remember...

I forgive you / Please forgive me...

Thank you for...

What I hope for your life is...

Ways to Save and Share Your Message

Ideas for sharing or saving your recording:
