

## What Your Family Needs to Know

### Does the funeral home have to accept this casket?

Yes. Federal law (the FTC Funeral Rule) requires every funeral home in the United States to accept a casket purchased from any outside source. They cannot charge a handling fee or refuse service. This applies to every casket sold by Discount Caskets.

### How does Going Home compare to the God Care?

Both are 18 gauge steel caskets at \$1,695 with blue crepe interiors, swing bar handles, and identical construction. Going Home has a deep gloss blue finish closer to navy. God Care has a gloss sky blue finish that is lighter and more open. Same price, same build, same delivery. The difference is the shade and the mood it sets in the service.

### What shade of blue is Going Home?

Going Home is a deep gloss blue, closer to navy than sky. It reads as classic and traditional in any sanctuary setting and pairs naturally with white lilies, cream flowers, and darker wood interiors. For a lighter alternative, compare with the God Care.

### How does it ship and when will it arrive?

Discount Caskets ships via commercial airline cargo, wrapped in Styrofoam and bubble wrap inside a protective wooden crate. Orders typically arrive at your funeral home within 1 to 2 business days. Delivery is \$299 flat rate.

### How does \$1,695 compare to funeral home pricing?

Funeral homes typically charge \$4,000 to \$6,000 for comparable 18 gauge metal caskets. At \$1,695 plus \$299 flat rate delivery, Going Home can save your family \$2,200 to \$4,200 on the same quality of steel construction.
