

What Your Family Needs to Know

Does the funeral home have to accept this casket?

Yes. Federal law (the FTC Funeral Rule) requires every funeral home in the United States to accept a casket purchased from any outside source. They cannot charge a handling fee or refuse service.

What if it arrives damaged?

Discount Caskets inspects every casket before shipping and includes protective packaging. If damage occurs during transit, contact their support team immediately for a replacement at no additional charge.

How fast does it ship?

Orders placed before 3:00 PM ET ship the same business day. Standard delivery takes 1 to 3 business days depending on your location. Delivery is free, directly to your funeral home.

What is included in the \$995 price?

The casket, white crepe interior, matching pillow and throw set, swing bar handles, and free delivery to your funeral home. There are no hidden fees or added charges at checkout.

How does this compare to funeral home pricing?

Funeral homes typically charge \$2,500 to \$5,000 for comparable 20-gauge steel caskets. At \$995 with free delivery, this casket can save your family over \$2,900 on the same quality of steel construction.
