

## What Your Family Needs to Know

### Does the funeral home have to accept this casket?

Yes. Federal law (the FTC Funeral Rule) requires every funeral home in the United States to accept a casket purchased from any outside source. They cannot charge a handling fee or refuse service. This applies to every casket sold by Discount Caskets.

### How does the Orion Series Blue compare to the Infinite Silver?

Both are 20 gauge steel caskets at \$995 with fast delivery and identical construction quality. The Orion Series Blue has a navy blue finish with light blue interior and carries a 5.0 buyer rating. The Infinite Silver has a silver finish with white interior and offers a sealed gasket option that the Orion does not include. If color preference matters more than a gasket seal, the Orion is the choice.

### What if it arrives damaged?

Discount Caskets inspects every casket before shipping and includes protective packaging rated for cross-country transit. If damage occurs during delivery, contact their support team immediately for a replacement at no additional charge.

### How fast does it ship?

Orders placed before 3:00 PM ET ship the same business day. Standard delivery takes 1 to 2 business days depending on your location. Delivery is \$299 flat rate, directly to your funeral home. Discount Caskets coordinates everything with the funeral home so your family does not have to arrange logistics.

### How does \$995 compare to funeral home pricing?

Funeral homes typically charge \$2,500 to \$5,000 for comparable 20 gauge steel caskets. At \$995 plus \$299 flat rate delivery, the Orion Series Blue can save your family over \$2,600 on the same quality of steel construction.
